Has the honor to submit for the information and orders of Government the enclosed copy of letter No. 484 dated the 28th Ultimo from the General Assistant Commissioner recommending the formation of the Village of Adjimpur into a Municipality.

The Village at present consists of 560 houses with a population of 2598. The undersigned would not be prepared to support the

the Assistant Commissioners
mendation. if it were not that
railway will pass close to the vill
at which there will likely be a
and it is therefore probable that
village will increase.

No 484

General Assistant Commissioner,
Kadur District,
Camp Tarikere 28th January 1887.

To,
The Deputy Commissioner,
Kadur District.

Sir,

I have the honor to report that during my stay at Adjimpur for, the Jamabandi I inspected the fort and bazar of that place more than once, and on all these occasions the place was found to be in a very filthy state. As it is a large place with 560 houses and a population of 2590 residing in it, I beg to recommend that Municipal Rules may be introduced to that place. As the large market assembles there on Sundays and Thursday, and I dare say that a Police Station too will be built at that place.

It may not be out of

to mention here that Municipal Rules have been lately introduced at Benkipúr in the Shimoga District which is neither so large nor has so much trade.

The Sayer Monegar who is stationed at Sóbimpúr can easily keep the Registers &c^w required under the Municipal Rules.

I have the honor to be &c^a

Special Commissioner

Kadúr District.
